CONVICTION: A SEQUEL TO JANE AUSTEN'S PRIDE AND PREJUDICE BY SKYLAR HAMILTON BURRIS PDF

Revised 2nd edition.

CONVICTION, a satirical, original sequel to Jane Austen's timeless classic PRIDE AND PREJUDICE, reveals the romantic destiny of Georgiana Darcy. The author, however, does not rest on the laurels of Austen; she introduces an entirely new cast of characters, including an ambitious soldier, a wistful vicar, a flirtatious abolitionist, and an ordinary curate. The fates of these characters intertwine as each struggles to find the conviction to live out his or her own calling while confronting issues of loyalty, courage, faith, and love. CONVICTION is not a novel merely for fans of PRIDE AND PREJUDICE, but for all who take part in the ordinary struggles of humanity.

Do Not Hesitate to Read This P & P Sequel

By Arietta

Another beautiful novel by Skylar Hamilton Burris. I stated previously that *An Unlikely Missionary*: a sequel to Jane Austen's *Pride and Prejudice* can stand on its own merit, and I say the same about *Conviction*, even though they are both *Pride and Prejudice* continuations.

Yes, there are a few typos, and yes, not every character ends up with a storybook courtship and marriage, but this certainly reflects the reality during that period of history.

This is a "thinking person's" sequel. The characters have a depth and an understanding rarely found in novels, let alone P&P fanfic and I loved every page.

Never judge a book by it's cover!

By Christina Boyd

Never will I again judge a book by it's cover! I have bought up every *Pride and Prejudice* book out there and have avoided buying this one because the cover seemed a bit "amateur" to me. Yes, I know that is terribly shallow but I admit, I was deterred. After reading a recommendation at Derbyshire Writer's Guild, I found my way to Amazon to purchase the newly released, *Conviction*. I am so glad I bought this book! It rivals Pamela Aidan's *Fitzwilliam Darcy*, *Gentleman* trilogy and Helen Halstead's *Mr. Darcy Presents His Bride*. The characters are honestly written and solidly Austenesque... the new characters as compelling... the storyline thoughtful and well-researched. I loved this *Georgiana Darcy* more than any others out there as she too is thoughtful, virtuous and youthfully romantic. *Darcy* and *Elizabeth* take a back seat (as this isn't really their story) to *Georgiana* and sometimes *Kitty Bennett*, but when they do appear, their characters are beautifully written, too. I loved this book! And am so glad to own it! I look forward to reading it again and again. I'm just sorry I waited so long to buy it.

Very Clever

By Leonna Burns

I was very much looking forward to this story of *Georgiana Darcy*. I was not disappointed. I appreciate the care Burris took in maintaining *Georgiana's* personality and character. Even though she added maturity, spunk, playfulness, and passion to *Georgiana*, Burris kept her in that innocent and beautiful little girl growing up realm. We do get to see her mature into a young woman who is discovering her own mind, as well as true love. Well done!!

The new characters were genuine and very well thought out. The curate could have used a little more depth, but that could be, yet, another story. I appreciated also that Burris gave each person a unique personality and kept them in tact throughout the entire book.

I am also thrilled that Burris kept it clean! You don't need all the details of people's passion to make a book entertaining. The subtle hints of passionate moments were perfect!! I would, and could, recommend this

book to anyone, and I wouldn't be embarrassed. You won't be disappointed.

The backstory of Darcy and Elizabeth just make you love them that much more!! Perfectly done!!

The only thing I found in error is that there are a few passages that you know were written just to fill in the pages. That was a trifle bit mundane, but overall it is a fabulous book. I am very happy that I purchased it, and you will too.
