Know your Rights!

By Scyther

I rented this textbook for my Pre-Law Class. It is okay. It is a lot of reading!! The text does provide diagrams and pictures and does a good job of explaining the major landmark Supreme Court cases! Which is essential that every American should know about their RIGHTS!

I highly recommend this! Our RIGHTS should not be violated by the local, state and or federal government!

If I knew it was going to be in such shabby shape, I would've bitten the bullet and got a new one.
