Whether you are a new dentist opening your first practice or an experienced
dentist looking to take your current practice to the next level, Dr. Edward
Logan's new book on dental practice growth will help you achieve your

goals. Written by a dentist, for dentists, *Dentistry's Business Secrets: Proven Growth Strategies for Your New or Existing Practice* reveals the vital business truths Dr. Logan perfected while growing three successful dental practices from scratch.

- Discover how to field an employee team that provides five-star customer service.
- Create a powerful internal and external marketing plan that guarantees the rapid expansion of your practice.
- Learn to maximize website design, search engine optimization, online advertising and social media to immediately increase your new patient volume.
- Examine how to keep more of your hard-earned money through accurate treatment estimates, insurance payment management, proper collection techniques, cost controlling strategies and retirement planning.
- Enjoy your work more by learning techniques for clinical efficiency, productive scheduling, treatment planning, fee setting and managing difficult patients.

If you desire to maximize your practice value in the most efficient manner possible, then *Dentistry's Business Secrets* is your A to Z guide to success. Uncover the essential truths not taught in dental school and watch your practice life become less stressful, more predictable, more enjoyable and more profitable!

Dentistry's BUSINESS Secrets by EDWARD M. LOGAN, DDS

Most helpful customer reviews

1 of 1 people found the following review helpful.

This fantastic book is filled with valuable knowledge much needed to empower dentist to start their own practice in today's econ

By buyers

By reading this book, you will learn the business side of dentistry from a dentist with many years of experience in the field, and you will learn what you did not learned while in dental school but should have. After reading this book, I was motivated, inspired, and ready to start my own dental practice. The book serves as a template for any dentist interested in being his/her own boss! Dr. Logan also provides *The Practice Management and Marketing Tools CD* (sold separately) that has been extremely helpful to me in starting my own practice.

Thanks, Dr. Logan for sharing your vast management experience in the field of dentistry with us. As dentist, we need to learn more about the business side of dentistry as too not allow our noble profession to be hijacked by these powerful dental service organizations that to some are here to stay.

down to earth

By Brad Mouritsen

The book gives real life experiences in a way you feel like your sitting down with a friend for advise. It's not my way or the highway but an explanation of positives and negatives of different choice he's made and experiences he's had. It has opened a world of questions and things to consider as we continue our journal in dentistry.
