So, the way for you to get this Dr. Jekyll And Mr. Holmes By Loren D Estleman will be so simple, won't you?

DR. JEKYLL AND MR. HOLMES BY LOREN D ESTLEMAN PDF

Another long-missing adventure from the casebooks of the world's greatest detective rediscovered by Shamus Award-Winner Loren D. Estleman, author of Sugartown and Every Brilliant Eye. Accompanied by Dr. Watson, master sleuth Sherlock Holmes has already encountered the evil young hedonist Edward Hyde, and knew he was strangely connected with Henry Jekyll, the wealthy, respectable London doctor. It was not until the Queen herself requested it, however, that Holmes was officially on the case of the savage murder of Sir Danvers Carew, the blackest mystery of his career! Although Robert Louis Stevenson published his tale of Jekyll and Hyde as fiction, the hideous facts were true, insofar as Stevenson knew them.. Here, then, is the entire firsthand account of that devilish crime as recorded by Dr. Watson, with an explanation of why Holmes's personal involvement had to be kept secret - until now... Estleman's 2nd Holmes Pastiche

By A Customer

On the heels of "Sherlock Holmes vs. Dracula" came this second pastiche, in which Holmes & Watson battle R.L. Stevenson's legendary doctor/monster duo. Stevenson has a cameo at the end, and the whole affair is a well-done, gripping adventure in the true Conan Doyle spirit.

11 of 12 people found the following review helpful.

Lively, affectionate and well written Sherlockiana

By F. J. Harvey

The title of this, Estleman's second Holmes pastiche, pretty much tells you what to expect. The Stevenson classic is sufficiently well known to have coined a term, "Jekyll and Hyde personality", that even non-readers are familiar with and thus we get no surprises in the outcome of the novel. Readers will know the true identity of the evil Edward Hyde and the pleasure to be derived from this book is in how the great detective finds the truth and the adventures he and the redoubtable Watson go through en route to the satisfying conclusion in the laboratory of the good Dr Jekyll

The book has pace and the Hansom cab chase in chapter 11 in particular is a model of crisp narrative leavened with neat touches of humour. There is even a bar room brawl to keep the plot stirring merrily

The affection for Doyle and Stevenson is evident and the book is a thoroughly satisfying page turner with enough nous not to outstay its welcome at a tad under 200 pages

Read it if you like Holmes, good Victorian thrillers or just like having fun with a lively tale

8 of 9 people found the following review helpful.

In the spirit of both Stevenson and Conan Doyle

By A Customer

This is one of the best "Dr Jekyll and Mr Hyde" follow-up books I've ever read. It really catches the spirit of Old Victorian London, and the storyline is most of the times credible. Even though you know the ending and you know Dr Jekyll's secret, this book still manages to be exciting, and it is very well-written indeed. The only argument is, when you know the original "Dr Jekyll and Mr Hyde" well, many of the facts in this book are already known to you, and it's a bit boring to read them all over again. But still, a very good book, and I recommend it to Holmes and Jekyll fans alike.
