A guide for anyone in a business situation where they will have to use someone else's creative license

By Midwest Book Review

Copyright law has become a matter of serious concern in recent years - so how do you use anything without getting sued? "Getting Permission: How to License & Clear Copyrighted Materials Online and Off" is a guide for anyone in a business situation where they will have to use someone else's creative license for their own. The guide covers the permission process, public domain issues, finding the copyright holder to get permission, fair use, and other issues that often crop up in this field. Enhanced with a CD-ROM which compiles the information in an easy to search format, "Getting Permission: How to License & Clear Copyrighted Materials Online and Off" is highly recommended to any business who often use other company's copyrights, and community library business collections.8 of 8 people found the following review helpful.

Permissions The Right Way!

By Lorenzo M. in the Hollywood CA Area

I really wish these No Ho books were standard issue and text books for schools. They are easy to read, well organized and filled with facts.

If you plan to use any copyrighted material for your own purposes, you need to get permission first from the owners of that work. If you don't, you could find yourself slapped with an expensive and time-consuming lawsuit.

Getting Permission tackles the permissions process head-on -- without the legalese. It shines the light on whom to ask for permission, as well as when -- and how much to expect -- to pay for permission. Comprehensive and easy-to-read, the book covers of vast amount of subjects like - the permissions process, the public domain, copyright research, fair use, academic permissions, the elements of a license and merchandise agreement, the use of a trademark or fictional character, and much more

Getting Permission includes agreements for acquiring authorization to use text, photographs, artwork, and music, whether it's found online or off. All agreements included as tear-outs and on CD-ROM.

The 4th edition of this essential guide is completely updated to reflect the latest laws and court decisions.

Here is the table of contents...see for yourself everything need to know.

Table of Contents

1. Introduction to the Permissions Process
