Finally, a book of love.

By Ashley

As someone who is very open in the LGBT area I love this book. It's so nice to see a book about homosexuality and Transgender that isn't saying it's a sin. It's letting you know God loves all of us the way he made us. (Even if your silly body forgot to develop into the gender meant for you.) It's full of inspiring biblical quotes that can help remind you He loves you and is there for you. Great read!
