HEIR APPARENT (GUARDIANS OF THE FLAME) BY JOEL ROSENBERG PDF

Karl Cullinane and his fellow Earth-exiles Andrea, Ahira, Walter, and Lou had succeeded beyond their wildest expectations in the years since a wizard's spell had cast them into an alternate world where magic and dragons were real. Now Karl was Emperor and his son Jason was of an age to begin learning the realities of war and leadership. And with the aid of dwarves, elves, humans, and one sarcastic dragon, Karl and his friends had freed many from the evil specter of slavery and were pledged to fight till slavery was at an end.

But their actions had made them some extremely powerful enemies, chief among whom was Ahrmin of the Slaver's Guild. And for Ahrmin the time of final reckoning had at last arrived.

With or without the aid of the Guild, he would draw sword and take blood vengeance on Karl and Jason Cullinane and all they held dear....

fabulous

By A Customer

Another great book in an incredible series. Rosenberg maintains the image of the characters, and keeps with the spirit and soul of the books. A fitting end to a truly exciting hero in Karl Cullinane. This, along with the three previous entries, are must reads for all fantasy fans

The end of one era, the beginning of another...

By A Customer

This book told of the demise of one of the best characters in this genre's history. I still haven't forgiven the author for it. Speaking as one who was with this series from the beginning, I must insist you start with the first book ("The Sleeping Dragon"). "The Heir Apparent" also tells of the coming of age of another main character, while continuing to build on established characters. In context, this story is the perfect "swan song" for the character who has grown so much as a warrior, a leader and a person. To be honest, I couldn't tell you what the book would be like read out of context. All I *can* say is...If you've never read any of Mr. Rosenberg's "Guardians of the Flame" series, you better get crackin'! Half the fun/agonny is waiting for the next one!

Great Book

By Christy Glaze

The 5th book in the Guardians of the Flame series. It is an awesome story. This copy I got from Amazon was in great condition. Almost no wear. I would definitely buy from them again.
