From the Inside Flap

The competition for entry-level positions in the investment banking industry has never been more ferocious, or the recruitment process more rigorous. If you harbor a burning desire to break into the world of investment banking, you should know one thing up front: charm and a great GPA from a target school aren't enough to land you the job.

To attract the attention of recruiters and survive the gauntlet of the interview process, you'll need to be completely prepared to demonstrate a fine-grained knowledge of the investment banking industry. You'll need to be fully up on a range of core technical skills, from financial statement analysis to valuation and financial modeling. And you'll need to exhibit a firm grasp of the ins and outs of M&A and leveraged buyouts.

You'll also need to know exactly what to expect during the recruiting and interview process and how to present yourself as the kind of candidate they're looking for in every way.

It sounds like you need a friend in the business—somebody who's been there, done that, and is happy to share what he or she knows about getting in and getting ahead. Hopefully, that friend also will be a gifted teacher who knows exactly the kind of information you need to know and how to present it in a way that's easy to digest and hard to forget.

Good news: You have such a friend, and his name is Andrew Gutmann.

Creator of the popular website **IBankingFAQ**, and a veteran of the investment banking industry who's worked for some of the top shops on Wall Street, Andrew has spent the past several years as a career coach

at Columbia Business School, where he helps prepare MBA students for the investment banking recruitment process, as well as for the job itself. Based on a course he developed for the Institute for Finance, and closely following its curriculum and format, *How to Be an Investment Banker*:

- Covers the full range of critical theoretical and practical knowledge
- Coaches you in the technical skills required of junior investment bankers
- Delivers priceless tips on how to prepare for an investment banking job search
- Fills you in on the fundamentals of accounting, finance, and financial statement analysis
- Gets you up to speed on valuation and financial modeling
- Provides detailed coverage of M&A and leveraged buyouts
- Walks you through the entire recruiting and interviewing process
- Contains over 150 real technical interview questions based on the content covered in the book to help readers prepare for their next investment banking interview. All answers are contained on a companion website

Don't assume that your personal charisma and your academic bona fides will be enough to wow the recruiters. Find out exactly what you need to know to prepare for and survive the rigors of the investment banking recruitment process, and let *How to Be an Investment Banker* be your ticket to a career in investment banking.

From the Back Cover

Praise for *How to Be an Investment Banker*

"Andrew Gutmann has written a clear and easy guide for budding investment bankers and finance professionals everywhere. It lives up to its title, providing not only intelligent advice and guidance but a good summary of core financial principles every dealmaker should know."

—Steven M. Davidoff, New York Times "Deal Professor"; Professor of Law and Finance, Michael E. Moritz College of Law, The Ohio State University

"In this book, Andrew demystifies the competitive recruiting process for investment banking jobs. He provides clear and thorough explanations of the technical knowledge needed to ace the interviews and succeed as a banker. Above all, his perspective on the industry will help readers determine for themselves whether this is a career for them. He tells it as he sees it, no holds barred. It's his directness that students find appealing and makes this required reading for anyone seriously considering a career in investment banking."

—Regina Resnick, Associate Dean and Managing Director, Career Management Center, Columbia Business School

"Andrew's book provides a great overview of investment banking recruiting as well as the key technical topics you need to know for interviews and the most important qualitative questions. Unlike a lot of other guides and resources I've seen, he also tells it like it is rather than sugar-coating the truth, which is exactly the right approach to take."

—Brian DeChesare, founder, Mergers & Inquisitions and Breaking Into Wall Street

"Mr. Gutmann's book provides an excellent bridge between classroom finance and real-world application in investment banking. Thoughtfully organized, digestible, and without sugar coating, *How to Be an Investment Banker* is an essential tool for those considering the pursuit of a job in investment banking."

—Michael F. Malone, Managing Director, Career Management Center, Kellogg School of Management, Northwestern University

"For prospective investment bankers, this book offers an excellent overview of the business and the tools/techniques that should be part of your arsenal. More important, though, the book also offers guidance on seeking out and finding an investment banking job and a reality check on what an investment banker's life is like."

—Aswath Damodaran, Professor of Finance, New York University Stern School of Business and author of *Investment Valuation*

"Andrew Gutmann has managed to turn his highly useful website into a highly useful book. *How to Be an Investment Banker* provides a road map for becoming and remaining an investment banker. It is not for the faint of heart."

—Jonathan Knee, author of *The Accidental Investment Banker*

this book goes into much more detail so you can understand and speak intelligently in interviews

By Ahmed Suria

This book is a must read for anyone recruiting for ibanking jobs as an analyst or associate. It thoroughly covers all the concepts you need to know and explains them well. Compared to other guides which just give you the questions and answers, this book goes into much more detail so you can understand and speak intelligently in interviews. A must prep guide!

0 of 0 people found the following review helpful.

Awesome resource for iBanking prep

By Reginald Hyppolite

Great resource in learning the ins and outs of investment banking. The book covers everything you can need and imagine from preparing for the interview to what the lifestyle and an investment banker is once inside. I believe that the book can be best used as a reference guide like textbook. Helpful, simply written and valuable. Use this in conjunction with the Vault guide and you will know almost as much about banking as the person interviewing you.

Must-have for technical interviews

By Andrea Cantoni

This book is a must-have for anyone who wants to pursue a career in investment banking. It covers all the topics about the sector in a comprehensive and easy manner. One of the best books to prepare a technical IB interview. Highly recommended.
