LIFE AMONG THE SAVAGES BY SHIRLEY JACKSON PDF

In her celebrated fiction, Shirley Jackson explored the darkness lurking beneath the surface of small-town America. But in *Life Among the Savages*, she takes on the lighter side of small-town life. In this witty and warm memoir of her family's life in rural Vermont, she delightfully exposes a domestic side in cheerful contrast to her quietly terrifying fiction. With a novelist's gift for character, an unfailing maternal instinct, and her signature humor, Jackson turns everyday family experiences into brilliant adventures.

Highly recommended.

By irmik

This autobiographic text reveals the humorous side of Shirley Jackson (of "The Lottery" fame). Highly recommended.

4 of 4 people found the following review helpful.

Amsuing

By Katherine Ivy

As a stay at home, I enjoyed reading this book. It is very funny. It is also interesting to see the change in times. This book was written in the 1940s. Especially of interest is the author's description of her two week hospital stay for child birth. These days it is practically a drive by procedure :) I felt the book dragged at times, but all in all this is an enjoyable read and certainly one I would recommend to other moms.

Warning: this book may cause belly laughs!

By Aunt Hill

This account of Jackson's experience raising children in the 50's is both heart-warming and hilarious. It's the kind of book that you read and re-read when you need to be reminded that life is good and worth the trouble! If you like children at all, you don't want to miss this book!
