I have been a fan of Molly for sometime. She is a delightful woman and a soft lover of art(and her family). Must have for me.

Pro: anything she does is intriguing.

Cons: wish it contained more photographs.

Buy this book. Become a fan.

I have been a fan of Ms Kiely's work for a very long time. I own a modest collection of her publications, but this small tome puts it all into perspective. Even if you're only just thinking about it, buy this publication RIGHT NOW. You will be glad you did.
