Loved it!

By Kerwin L. Schaefer

But then I enjoy Taylor Caldwell's writing, even though I don't share her political philosophy. I especially liked this one because it focused on German immigrants to the US in the late Nineteenth and early 20th Centuries. Since that's when my own ancestors arrived from Germany, I could easily identify with the characters, both good and bad. It also gave me some insight into what my long-dead relatives might have faced during that time.
