SWEET SOUTHERN TROUBLE BY HEATHER MCGHEE PDF

When the truth comes out...it usually comes out of Becky O'Shea's mouth. And when her dying grandmother sends her on a wild-goose chase for the truth about the O'Shea heritage, Blabbermouth Becky finds herself knee-deep in a small town with enough scandals, gossip and sickening apple pies to keep her entertained while she investigates her own mystery. But as with any great quest, there is usually a man or two standing in the way. As the small town's police chief, Nick Harris typically spends his days playing cupid to bickering old couples and chaperoning bored teenagers. Then Becky O'Shea pops into his station, smelling like fresh-baked cookies, and suddenly he is overrun with problems. Becky just wants to honor her grandmother's memory. Nick wants her out of town as soon as possible. However, long-buried secrets have a way of coming back to life...resurrecting old love stories and creating new ones.

Meh

By JD

This book was not good not bad just ok. For some reason it just never really flowed. It had so much potential with an interesting mystery, a quirky lead character, an evil villain, and a town full of side stories. However, nothing really gelled. I wouldn't recommend as a must read but if you have nothing else on hand, it will do

5 Stars For Sweet Southern Trouble

By Jean J. Mclain

I gave it a 5 because its a story of a mystery, love and small southern town.

Beckey's grand mother was a wise & fun loving southern woman with a big secret.

Great read

By Roxanne

A great story a love story,mystery murder and cold case of a small town story rolled into one! .
