THE CHE HANDBOOK BY GARETH JENKINS, HILDA BARRIO PDF

As one of the window to open up the brand-new world, this *The Che Handbook By Gareth Jenkins, Hilda Barrio* supplies its outstanding writing from the writer. Released in among the prominent authors, this publication *The Che Handbook By Gareth Jenkins, Hilda Barrio* becomes one of one of the most desired publications just recently. Actually, the book will certainly not matter if that *The Che Handbook By Gareth Jenkins, Hilda Barrio* is a best seller or not. Every book will certainly constantly give ideal sources to obtain the viewers all finest.

From Publishers Weekly

The impossibly glamorous life of the beloved revolutionary martyr Che Guevara is extolled but not illuminated in this glitzy hagiography. The authors sketch the outlines of Guevara's tumultuous life-his youthful motorcycle journeys among Latin America's downtrodden masses, his rise as Fidel Castro's co-comandante, his incongruous stint as Cuba's Minister of Industry and Central Bank chief, his return to guerilla adventures in disastrous forays to the Congo and Bolivia (where he was executed)-but tell the story mostly through interviews with Guevara's comrades and snippets of his writings. The book is dominated by hundreds of photos of Guevara, usually in beret and fatigues, which ably convey the smoldering charisma-"he was very masculine, with beautiful eyes," pants one compañera-that has made him the universal symbol of left-wing defiance on posters, T-shirts and murals throughout the world. Unfortunately, the book's devotional tone does little to establish Guevara as a serious political figure. Readers learn of his chess skills and his kindness to lepers, but next to nothing about the organization of the Cuban Revolution. Guevara's quixotic economic policies are largely glossed over with photos of him harvesting sugar cane to promote his scheme of replacing wages with "voluntary work" and "moral incentives." The excerpts of his own writings, which are studded with bad poetry ("In the mouth of the finale, you can hear valor fly") and grand self-encomiums ("The only passion which guides me is for the truth"), betray nothing more reflective than an idealized faith in the people and an enthusiasm for armed struggle. Barrio and Jenkins leave the impression that Guevara was little more than the romantic adventurer depicted in his iconography. 250 b&w photos; 50 color illustrations.

From School Library Journal

Adult/High School—This small, chunky coffee-table book is a photo biography of the charismatic revolutionary Ernesto "Che" Guevara. End sheets provide a time line of highlights in his life from birth in 1928 to the 1997 transfer of his remains to Santa Clara, Cuba. More than 100 of the subject's quotations are sprinkled throughout, providing Che's opinions on such topics as truth, moral incentives, love, and youth. Previously unpublished interviews with the subject's friends and political allies provide some depth. The interview with Albert Ganado, motorcycle travel companion of his youth, gives a glimpse into Che the friend. Interviews with Colonel Alberto Castellanos and Colonel Oscar Fernandez Mel give pictures of the Cuban revolutionary. The interview with Ulises Estrado Lescaille covers the era of the man as international freedom fighter. The last chapter, "Legend," includes many paintings, posters, and even products, including

cigarettes, wine, tote bags, and the ubiquitous T-shirts. The man who said "The people's heroes cannot be separated from the people, cannot be elevated onto a pedestal, into something alien to the lives of that people..." is ironically very much an icon on a pedestal. While Handbook only reinforces that notion, it may be just this angle that draws adolescents to the book.—Paula Dacker, Charter Oak High School, CA

THE CHE HANDBOOK BY GARETH JENKINS, HILDA BARRIO PDF

The Che Handbook gives new life to the values and thinking of the Che Guevara behind the legend, a man who was at once sensitive, passionate, and determined to pursue his socialist dreams to their conclusion. A unique collection of intimate photographs and Che's own words, this book provides an accessible and authentic portrait of one of the most significant revolutionary figures of the 20th century.

The Che Handbook includes:

- Over 250 images, many never published before
- More than 100 quotations from Che Guevara's writings, personal correspondence, and speeches
- Newly-published interviews with Che's close friends and allies
- A collection of remarkable iconic posters and artwork
- A time-line giving the chronology of Che's life and career
- A map of Che's revolutionary route through Cuba
- Essays discussing the key moments of Che's life

Little information but lots of pics

By psychoinhell

Little information for people that think the world of Che. However there are a couple interesting interviews with people that knew him and fought with him. Plus there are lots of pics that are published for the first time! I give it 4 stars because I would of loved more interviews and information. However the pics were appreciated :)

Lots of photos

By naturopathicnd

This book is a photo album of the very photogenic Che Guevara. It has some information beside the photos, and also a few interviews with people close to Che, but the main point of this book is to present the photos. This book has many photos, of Che in his youth, family life, and during his travels. It also has images of Che as an icon with examples of International art work showing how recognisable his face is even today.

The entire book is 430 pages long with photos on every page, but is small in size.

If you are looking for a detailed informative book into Che's life, then this is not the book for you. However, if you want a quick simple read of his life as told in photos, then you could spend hours pouring over this and will not be disappointed.

The Che Handbook

By JOSETTE

I LOVED THIS BOOK LOTS OF PICTURES AND LOTS OF INFORMATION. ALSO THE SIZE OF THE BOOK WAS GOOD AS IT CAN FIT INTO SMALL BAGS IF YOUR ON THE MOVE.
