THE MANICURIST BY PHYLLIS SCHIEBER PDF

"Schieber has painted a fine portrait of the struggles and challenges of being different in an unforgiving world. Her characters are authentic and touching. Using language that is at once both straightforward and evocative, Schieber writes a story that you will recognize and remember long after you read the last page." - Karen Chase, award-winning author of Kazimierz Square

Tessa and Walter have, by all appearances, the perfect marriage. And they seem to be ideal parents for their somewhat rebellious teenage daughter, Regina. Without warning, however, their comfortable lives are thrown into turmoil when a disturbing customer comes into the salon where Tessa works as a manicurist. Suddenly, Tessa's world is turned upside down as revelations come to light about the mother she thought had abandoned her in childhood and the second sight that she so guardedly seeks to keep from others. A magical novel of secrets revealed and a family in turmoil, searching together for new beginnings.

Phyllis Schieber's first novel, *Strictly Personal*, for young adults, was published by Fawcett-Juniper. *Willing Spirits* was published by William Morrow. *The Sinner's Guide to Confession* was published by Berkley Putnam in 2008. Her short story, *The Stocking Store*, appears in Bell Bridge Books' 2011 anthology, *The Firefly Dance*.

Married and a mother, Phyllis Schieber lives in Hastings-on-Hudson, New York.

A Polished Writer

By BabeWaldo

This is another satisfying novel from Schieber offering the right balance of mystery and believability. The

generational impact of maternal mental illness is explored gently and with humor. These are real, ordinary people who you might actually know. Her characters are vivid. The nuances and emotions between mothers and daughters, husbands and wives are so beautifully captured through Schieber's clear and controlled writing. As in her first novel, *WILLING SPIRITS*, I laughed and cried with self-recognition. She knows women. Schieber is a shining star on the rise in literary fiction. She really nailed it with *THE MANICURIST*.

Absorbing, smart fiction

By Bookworm

This is the best novel I've read in years. I've read Phyllis Schieber's previous novels, and I guess that makes me a huge fan of her work. Buy this book if you are interested in complex, compelling characters and a story that has deep meaning for us all.

9 of 9 people found the following review helpful.

Annoying Dialogue and Typos

By SheShells

I don't know how it got so many great reviews, either. The many typos were distracting, and the dialogue was stiff and unnatural. I still don't know if her husband was warm and loving or critical and unfeeling. I really wanted to enjoy this book because the plot was appealing, but I found it tedious to read.
