# UNDENIABLE - BOOK ONE: THE OREGON TRAIL SERIES BY LAURA STAPLETON PDF

The first in an epic series of three sections of the Oregon Trail and the three love stories begin here.

Beth Ann Roberts made her father a deathbed promise to be a wife to her deceased sister's husband, Daggart Bartlett. When Daggart sells the farm to join the Gold Rush, Beth must go with him, never expecting how much her life will change.

Nicholas Granville is forced by his brother to help a group as they travel the Oregon Trail from Missouri to Oregon. Mourning his late wife, Nick's heart began healing the moment he saw Beth.

Now, the couple must find a way to fight a love that is undeniable.

The Oregon Trail Series

Undeniable - Book One - a spicy sweet love story.

Undesirable - Book Two - a sweet love story with a distasteful secret.

Uncivilized - Book Three - a spicy sweet love story.

Love at First Sight

By Kindle Customer

This is a simple romance with huge complications. It covers abuse, a victim of circumstances, a disheartened doctor, grief, poverty, wealth, journey by wagon train, alcoholism and more. I believe it could use an editor...there were a few times that the wording threw me & I had to go back & reread & a few of those times, I just had to continue forward even after I had tried to understand the logistics. It is an entertaining story in its entirety.

Love wins out

By Avid Reader

The beautiful scenic cover on this book showing a small covered wagon belies the turmoil that lies beneath.

Traveling day after day in a covered wagon pulled by slow moving oxen would be bad enough. Having to cook over an open fire with cow chips as fuel and very few ingredients would be bad enough. Washing the dishes in a muddy river using sand as a scratch pad would be bad enough. Having to wait until the dirt settled in a jar of water before drinking it would be bad enough. Having to relieve yourself by first finding a bush to hide behind would be bad enough. All that is just small potatoes for the main character in this book. That is the easy stuff compared to living with her abusive, lazy, monster of a husband. In today's world we have strict laws and safe houses for women in that position. Not so in that primitive era. But of course this is a romance novel so not to worry. Mr Right rides up not in shining armor but at least riding a horse and not a moment too soon. There is history, mystery, and enough suspense to keep you engrossed. I recommend this book for anyone who enjoys tales of the Old West with a lot of lovemaking thrown into the mix.

Repetitious, slow, needs an editor

By L. Christensen

Let me begin by saying I know this is fiction. Some of the worst fiction I've read in an awfully long time. It was repetitious, boring and slow beyond description. The whole story was spent telling the reader that the characters washed dishes in the river, picketed the horse, fed the cow, gathered firewood. Seriously. Over and over. Add to it the h was too stupid to live and you have this book. Beth Ann was ridiculous. \*Spoiler\* She felt obligated to stay with her abusive, worthless brother-in-law, as a replacement for her dead sister (his wife). This was because of a promise to her deceased father. I completely understand that women were thought of as property and not allowed the freedoms we know, but this was beyond that. She stayed with the abuser even though they weren't married. \*End spoiler\*

As for the explicit sex scenes others have mentioned, they were laughable. Yes, there was sex, but the descriptions were comedic.

After the beginning, I found I could read the first sentence every few pages and not miss a thing. If you're looking for good historical fiction about the Oregon Trail, do yourself a favor and please keep looking. This was an insult to the reader.
