UNENCHANTED: AN UNFORTUNATE FAIRY TALE (UNFORTUNATE FAIRY TALE;[BK. 1]) BY CHANDA HAHN PDF

Mina Grime is unlucky, unpopular and uncoordinated; that is until she saves her crush's life on a field trip, changing her High School status from loser to hero overnight. But with her new found fame brings misfortune in the form of an old family curse come to light. For Mina is a descendant from the Brothers Grimm and has inherited all of their unfinished fairy tale business which includes trying to outwit a powerful Story from making her its' next fairy-tale victim. To break the fairy tale curse on her family and make these deadly occurrences stop, Mina must finish the tales until the very Grimm end.

Amaterurish but worth a try

By j. martin

This is actually more of a 3.5. I really like the premise of this story. The passage of time is unclear, though, and the dialogue is stilted and amateurish. And, honestly, why is it that so many YA authors can't write female protagonists that don't stomp around everywhere having a hissy fit about everything? Someone who has been through what Mina has should be more mature and less prone to overreact every three minutes. Now, having said that, there is enough positive elements to the actual storytelling that I'm giving the series an extended try. I read the short story that follows about Jared's Quest and was very encouraged. It was much better! I'm currently reading the sequel, with hopes that the author may have grown toward correcting some of these shortcomings.

Great book! Fantasy- "real world" mixed with the fairy world.

By Idit

The first in a series. This first book might seem a bit slow or less interesting story wise at first but keep reading it gets better and better and the action is worth it ;0)

Learn and grow with Mina, a 15 year old (in the beginning of the 1st book) and the main character +Heroin, as she learns new things about herself, her world- or rather worlds, about her family, about growing up (with a twist) and about herself in so many different aspects.

The characters in the book and in the series are varied and we always get to know new ones, some even new to Mina or she learns new things about them that makes them more influential in her life (and in the story) and so Mina's circle of people in her life grows each time.

This is a unique story- it might seem at first like it will have an obvious story line and generic but NOPE! There are twists and turns, secrets to unfold, action, ups and downs, interesting characters you learn about as they learn about themselves. I love these kinds of "worlds" where our "regular known" world is entwined with a world of magic, fantasy, where myths and fairies are real and also feel, think and interact with "our" world...It gives it color, fun, mystery, different kinds of challenges and you get to spend time in this world and wish you were a part of it.

After finishing this 1st book go ahead to the next one! Read them all! I have - twice :0)

- As for age of the readers: there is nothing too explicit or too violent in detail. I think 14 and up can read and enjoy the books though the older you are the more you'll understand the nuances and the characters' conflicts... I recommend parents to read these books at the same time as their teens (or in advance)...It might even be a great way to interact and bond - by discussing the books and the issues that come up there with the fun fantasy sides as well :0)

Enjoy!

A great read. goes too fast!!

By Jack W. Coleman jr.

Awesome book! Kept me entertained, didn't want it to end. Ya know that kind of book that has a happy ending but makes you feel kinda sad at the same time cause ya wish it could keep going? Yeah, well that was this book. I was wanting more. A definite read if you are into this kind of subject. I would definitely recommend this to a friend. I'd say not too shabby at all for a self published writer. Although there were a couple of errors but nothing that can't be overlooked.
