One of the best that I've read in awhile!

By endless

Every Christian should get a copy of this book. I ordered a second copy just for my wife. It's an easy read and you'll have a much better understanding of grace vs. the law when you're done. Highly recommend.

Christian Life Gold

By Tom Carlton

This book is a fantastic look at Romans 5-8, focusing on Christian life issues such as understanding the difference between law and grace, the dangers of legalism, formality and license in the believer's walk, and what it means and looks like to walk in the Spirit. Another great read from a great author. I especially like the author's understanding and presentation of the importance of knowing our identity in Christ and how it relates to everything in our walks with Him.

Love It!

By B.INC

If you've never understood God's acceptance and grace fully, this is a book you would definitely benefit from! McCallum obviously put a lot of thought into how he could make these deep truths easier to understand and apply. Personally, I love the tables sprinkled throughout this book. They do so much to make things clearer, and are a great resource for group bible studies!!

Some of the many tables found in this book:

Comparing Biblical and Modern Love

How the Means of Growth (Prayer, Word, Fellowship, Ministry) work together and affect one another.

Our Old Self (in Adam) vs. Our New Self (in Christ)

Living under the Law vs. Living in Grace
